**KAYNE ANDERSON ENERGY TOTAL RETURN FUND
ANNOUNCES ITS NET ASSET VALUE AT APRIL 12, 2006**

LOS ANGELES, CA – April 13, 2006 – Kayne Anderson Energy Total Return Fund, Inc. (the “Fund”) (NYSE: KYE), today announced its net asset value at April 12, 2006.

At April 12, 2006, the Fund’s net assets were \$786 million and its net asset value per share was \$24.56 based on 32.0 million shares outstanding. The Fund’s common stock closed on the NYSE on April 12, 2006 at \$23.08. On this date, the Fund’s discount to NAV was approximately 6.0%. This discount is less than the threshold to repurchase shares established in the Fund’s Stock Repurchase Program. Accordingly, the Fund will not authorize its agents to make open market purchases of the Fund’s shares at this time.

The Fund is a non-diversified, closed-end management investment company registered under the Investment Company Act of 1940. The Fund’s investment objective is to obtain a high total return with an emphasis on current income by investing primarily in securities of companies engaged in the energy industry, principally including publicly-traded energy-related master limited partnerships and limited liability companies taxed as partnerships and their affiliates, energy-related U.S. and Canadian royalty trusts and income trusts and other companies that derive at least 50% of their revenues from operating assets used in, or providing energy-related services for, the exploration, development, production, gathering, transportation, processing, storing, refining, distribution, mining or marketing of natural gas, natural gas liquids (including propane), crude oil, refined petroleum products or coal.

This press release does not constitute an offer to sell or a solicitation to buy, nor shall there be any sale of these securities in any state or jurisdiction in which such offer or solicitation or sale would be unlawful prior to registration or qualification under the laws of such state or jurisdiction.
