Notification of Source of Distributions

Pursuant to Rule 19a-1 under the Investment Company Act of 1940

The estimated composition of the distribution for the Kayne Anderson Renewable Infrastructure Fund, payable September 30, 2021 is as follows:

Return of Capital	83%
Ordinary Income	17%

The estimated composition of the distributions for the Kayne Anderson Renewable Infrastructure Fund, paid in the current fiscal year is as follows:

Return of Capital	36%
Ordinary Income	64%

The amounts and sources of the distributions reported in this Section 19(a) notice are estimates, are not being provided for tax reporting purposes and may later be determined to be from taxable net investment income, short-term gains, long-term gains (to the extent permitted by law), and return of capital.

A final determination of the tax character of distributions paid by the Fund will not be known until the completion of the Fund's fiscal year and there can be no assurance as to the portions of the Fund's distributions that will constitute return of capital and/or dividend income. The final determination of the tax character of distributions paid by the Fund in 2021 will be reported to shareholders in January 2022 on Form 1099-DIV.
