THIS LOAN AGREEMENT (as amended, restated, supplemented or otherwise modified from time to time, this “Loan Agreement” or “Agreement”), dated as of August 6, 2021 (the “Closing Date” or “Effective Date”), between **KAYNE ANDERSON ENERGY INFRASTRUCTURE FUND, INC.** (formerly Kayne Anderson MLP/Midstream Investment Company), a Maryland corporation, registered as a non-diversified, closed-end management investment company under the Investment Company Act of 1940, as amended (the “Borrower”) and SUMITOMO MITSUI BANKING CORPORATION (“SMBC” or the “Lender”).

WHEREAS, the Borrower is a closed-end registered management investment company under the Investment Company Act of 1940 for which KA Fund Advisors, LLC, a Delaware limited liability company (the “Investment Manager”) acts as investment manager; and

WHEREAS, the Borrower has requested that the Lender make a credit facility available to the Borrower for the purposes and on the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained, the parties hereto hereby agree as follows:

SECTION 1. DEFINITIONS

1.1 Defined Terms. As used in this Agreement, the following terms shall have the following meanings:

“ABR Loans”: Loans made at a rate of interest based upon the Alternate Base Rate.

“Adjusted Daily Simple SOFR Rate”: an interest rate per annum equal to (a) the Daily Simple SOFR, plus (b) 10 basis points (0.10%); provided that if the Adjusted Daily Simple SOFR Rate as so determined would be less than the Floor, such rate shall be deemed to be equal to the Floor for the purposes of this Agreement.

“Adjusted Term SOFR Rate”: for any Interest Period, an interest rate per annum equal to (a) the Term SOFR Rate for such Interest Period, plus (b) 10 basis points (0.10%); provided that if the Adjusted Term SOFR Rate as so determined would be less than the Floor, such rate shall be deemed to be equal to the Floor for the purposes of this Agreement.

“Adjusted Total Assets”: as of any date, (a) Total Assets, minus (b) the excess, if any, of (i) the sum, without duplication, of (X) the book value of all Investments of the Borrower in Unrestricted Subsidiaries, plus (Y) the value of all Level 3 Assets of the Borrower, minus (ii) an amount equal to 20% of Total Assets. For purposes of this definition, “Level 3 Asset” means, at any time, any Investment of the Borrower (a) for which there are no Level 1 Inputs or Level 2 Inputs (in each case within the meaning of Topic ASC 820, *Fair Value Measurements and Disclosures*), or (b) the value of which is determined by reference to Level 3 Inputs (within the meaning of Topic ASC 820).

“Advisers Act”: the Investment Advisers Act of 1940, as amended from time to time, together with all rules and regulations promulgated from time to time thereunder.

“Affected Financial Institution”: any EEA Financial Institution.

“Affiliate”: as to any Person, any other Person which, directly or indirectly, is in control of, is controlled by, or is under common control with, such Person. For purposes of this definition, “control” of a Person means the power, directly or indirectly, either to (a) vote 10% or more of the securities having

ordinary voting power for the election of directors of such Person or (b) direct or cause the direction of the management and policies of such Person, whether by contract or otherwise.

“Agreement”: as defined in the preamble hereto.

“Alternate Base Rate”: for any day, a rate per annum equal to the greatest of (a) the Prime Rate in effect on such day, (b) the NYFRB Rate in effect on such day plus ½ of 1% and (c) the Adjusted Term SOFR Rate for a one month Interest Period as published two U.S. Government Securities Business Days prior to such day (or if such day is not a Business Day, the immediately preceding Business Day) plus 1%, provided that for the purpose of this definition, the Adjusted Term SOFR Rate for any day shall be based on the Term SOFR Reference Rate at approximately 5:00 a.m. Chicago time on such day (or any amended publication time for the Term SOFR Reference Rate, as specified by the CME Term SOFR Administrator in the Term SOFR Reference Rate methodology). Any change in the Alternate Base Rate due to a change in the Prime Rate, the NYFRB Rate or the Adjusted Term SOFR Rate shall be effective from and including the effective date of such change in the Prime Rate, the NYFRB Rate or the Adjusted Term SOFR Rate, respectively. If the Alternate Base Rate is being used as an alternate rate of interest pursuant to Section 2.14 (for the avoidance of doubt, only until the Benchmark Replacement has been determined pursuant to Section 2.14(a)), then the Alternate Base Rate shall be the greater of clauses (a) and (b) above and shall be determined without reference to clause (c) above. For the avoidance of doubt, if the Alternate Base Rate as determined pursuant to the foregoing would be less than 1.00%, such rate shall be deemed to be 1.00% for purposes of this Agreement.

“Anti-Corruption Laws”: all laws, rules, and regulations of any jurisdiction applicable to the Borrower or its Subsidiaries from time to time concerning or relating to bribery, money laundering or corruption.

“Anti-Terrorism Order”: Executive Order No. 13224 of September 24, 2001, Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit or Support Terrorism, 66 U.S. Fed. Reg. 49, 079 (2001), as amended from time to time.

“Applicable Law”: any law, treaty, rule or regulation or determination of an arbitrator or a court or other Governmental Authority, in each case applicable to or binding upon such Person or any of its property or to which such Person or any of its property is subject.

“Applicable Margin”: at any time, with respect to each Floating Rate Loan, the respective percentage per annum set forth below opposite the respective Asset Coverage Ratio as of the most recent weekly calculation thereof:

Asset Coverage Ratio	Applicable Margin for Term Benchmark Loans¹	Applicable Margin for ABR Loans¹
Greater than or equal to 350%	130 bps	30 bps
Greater than or equal to 325%, but less than 350%	180 bps	80 bps
Less than 325%	215 bps	115 bps

1. The Applicable Margin in each instance shall be increased by 50 bps for such time the actual Net Assets are less than the Minimum Net Assets.

“Asset Coverage Ratio”: with respect to the Borrower, the ratio which (i) the value of the Adjusted Total Assets of the Borrower less all liabilities and indebtedness of the Borrower and the Restricted Subsidiaries not represented by Senior Securities, bears to (ii) the aggregate amount of all Senior Securities representing Indebtedness of the Borrower and its Restricted Subsidiaries. For the purposes of calculating the Asset Coverage Ratio, the amount of any liability or indebtedness deducted from Adjusted Total Assets of the Borrower shall be equal to the greater of (x) the outstanding amount of such liability or indebtedness, or (y) the fair market value of all assets securing such liability or indebtedness of the Borrower, provided that with respect to the covered call programs undertaken by the Borrower, in which calls are written on securities owned by the Borrower, the amount of any liability or indebtedness deducted from Adjusted Total Assets of the Borrower shall be equal to the greater of (x) the outstanding liability represented by such covered calls, or (y) the sum of the fair market value of such owned securities up to the value of such outstanding liability plus the fair market value of all other assets securing such covered calls.

“Assignee”: as defined in Section 9.6(c).

“Available Tenor”: as of any date of determination and with respect to the Benchmark, as applicable, any tenor for such Benchmark or payment period for interest calculated with reference to such Benchmark, as applicable, that is or may be used for determining the length of any interest period pursuant to this Agreement as of such date and not including, for the avoidance of doubt, any tenor for such Benchmark that is then-removed from the definition of “Interest Period” pursuant to clause (f) of Section 2.14.

“Bankruptcy Event”: with respect to any Person, such Person becomes the subject of a bankruptcy or insolvency proceeding, or has had a receiver, conservator, trustee, administrator, custodian, assignee for the benefit of creditors or similar Person charged with the reorganization or liquidation of its business appointed for it, or, in the good faith determination of the Lender, has taken any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any such proceeding or appointment, provided that a Bankruptcy Event shall not result solely by virtue of any ownership interest, or the acquisition of any ownership interest, in such Person by a Governmental Authority or instrumentality thereof, provided, further, that such ownership interest does not result in or provide such Person with immunity from the jurisdiction of courts within the United States or from the enforcement of judgments or writs of attachment on its assets or permit such Person (or such Governmental Authority or instrumentality) to reject, repudiate, disavow or disaffirm any contracts or agreements made by such Person.

“Benchmark”: initially, with respect to any Term Benchmark Loan, the Term SOFR Rate; *provided* that if a Benchmark Transition Event, and the related Benchmark Replacement Date have occurred with respect to the Term SOFR Rate or the then-current Benchmark, then “Benchmark” means the applicable Benchmark Replacement to the extent that such Benchmark Replacement has replaced such prior benchmark rate pursuant to clause (b) of Section 2.14.

“Benchmark Replacement”: for any Available Tenor, the first alternative set forth in the order below that can be determined by the Lender for the applicable Benchmark Replacement Date:

(a) the Adjusted Daily Simple SOFR Rate;

(b) the sum of: (i) the alternate benchmark rate that has been selected by the Lender and the Borrower as the replacement for the then-current Benchmark for the applicable Corresponding Tenor giving due consideration to (A) any selection or recommendation of a replacement benchmark rate or the mechanism for determining such a rate by the Relevant Governmental Body or (B) any evolving or then-prevailing market convention for determining a benchmark rate as a replacement for the then-current

Benchmark for dollar-denominated syndicated credit facilities at such time in the United States and (ii) the related Benchmark Replacement Adjustment;

If the Benchmark Replacement as determined pursuant to clause (a) or (b) above would be less than the Floor, the Benchmark Replacement will be deemed to be the Floor for the purposes of this Agreement and the other Loan Documents.

“Benchmark Replacement Adjustment”: with respect to any replacement of the then-current Benchmark with an Unadjusted Benchmark Replacement for any applicable Interest Period and Available Tenor for any setting of such Unadjusted Benchmark Replacement, the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected by the Lender and the Borrower for the applicable Corresponding Tenor giving due consideration to (a) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement by the Relevant Governmental Body on the applicable Benchmark Replacement Date and/or (b) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for dollar-denominated syndicated credit facilities at such time.

“Benchmark Replacement Conforming Changes”: with respect to any Benchmark Replacement, any technical, administrative or operational changes (including changes to the definition of “Alternate Base Rate,” the definition of “Business Day,” the definition of “U.S. Government Securities Business Day,” the definition of “Interest Period,” timing and frequency of determining rates and making payments of interest, timing of prepayment, conversion or continuation notices, length of lookback periods, the applicability of breakage provisions, and other technical, administrative or operational matters) that the Lender decides in its reasonable discretion may be appropriate to reflect the adoption and implementation of such Benchmark Replacement and to permit the administration thereof by the Lender in a manner substantially consistent with market practice (or, if the Lender decides that adoption of any portion of such market practice is not administratively feasible or if the Lender determines that no market practice for the administration of such Benchmark Replacement exists, in such other manner of administration as the Lender decides is reasonably necessary in connection with the administration of this Agreement and the other Loan Documents).

“Benchmark Replacement Date”: with respect to any Benchmark, the earliest to occur of the following events with respect to the then-current Benchmark:

(a) in the case of clause (a) or (b) of the definition of “Benchmark Transition Event,” the later of (i) the date of the public statement or publication of information referenced therein and (ii) the date on which the administrator of such Benchmark (or the published component used in the calculation thereof) permanently or indefinitely ceases to provide all Available Tenors of such Benchmark (or such component thereof); or

(b) in the case of clause (c) of the definition of “Benchmark Transition Event,” the first date on which such Benchmark (or the published component used in the calculation thereof) has been determined and announced by the regulatory supervisor for the administrator of such Benchmark (or such component thereof) to be no longer representative; provided, that such non-representativeness will be determined by reference to the most recent statement or publication referenced in such clause (c) and even if any Available Tenor of such Benchmark (or such component thereof) continues to be provided on such date.

For the avoidance of doubt, (A) if the event giving rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the Benchmark Replacement Date will be deemed to have occurred prior to the Reference Time for such determination and (B) the “Benchmark Replacement Date” will be deemed to have occurred in the case of clause (a) or (b) with respect to any Benchmark upon the occurrence of the applicable event or events set forth therein with respect to all then-current Available Tenors of such Benchmark (or the published component used in the calculation thereof).

“Benchmark Transition Event”: the occurrence of one or more of the following events with respect to the then-current Benchmark:

(a) a public statement or publication of information by or on behalf of the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that such administrator has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof), permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof);

(b) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof), the Federal Reserve Board, the NYFRB, the CME Term SOFR Administrator, an insolvency official with jurisdiction over the administrator for such Benchmark (or such component), a resolution authority with jurisdiction over the administrator for such Benchmark (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for such Benchmark (or such component), in each case, which states that the administrator of such Benchmark (or such component) has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof) permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof); or

(c) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that all Available Tenors of such Benchmark (or such component thereof) are no longer, or as of a specified future date will no longer be, representative.

For the avoidance of doubt, a “Benchmark Transition Event” will be deemed to have occurred with respect to any Benchmark if a public statement or publication of information set forth above has occurred with respect to each then-current Available Tenor of such Benchmark (or the published component used in the calculation thereof).

“Benchmark Unavailability Period”: with respect to any Benchmark, the period (if any) (x) beginning at the time that a Benchmark Replacement Date pursuant to clauses (a) or (b) of that definition has occurred if, at such time, no Benchmark Replacement has replaced the then-current Benchmark for all purposes hereunder and under any Loan Document in accordance with Section 2.14 and (y) ending at the time that a Benchmark Replacement has replaced the then-current Benchmark for all purposes hereunder and under any Loan Document in accordance with Section 2.14.

The Lender may select information sources or services in its reasonable discretion to ascertain any interest rate (except for the Fixed-Rate) used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

Subject to the terms and conditions hereof, the Lender agrees to make a term loan (the "Floating Rate Loan") to the Borrower on the Closing Date in a principal amount not to exceed \$25,000,000. Amounts repaid on the Floating Rate Loan may not be reborrowed. The Floating Rate Loan may consist of ABR Loans or Term Benchmark Loans or a combination thereof, as further provided herein.

2.3 Reserved.

2.4 Reserved.

2.5 Repayment of Loans; Evidence of Debt. (a) The Borrower hereby unconditionally promises to pay to the Lender the then unpaid principal amount of the Loans to the Borrower on the Maturity Date (or such earlier date on which the Loans become due and payable pursuant to Section 2.6(b) or Section 7). The Borrower hereby further agrees to pay to the Lender interest on the unpaid principal amount of the Loans to the Borrower from time to time outstanding from the date hereof until payment in full thereof at the rates per annum, and on the dates, set forth in Section 2.7.

(b) The Lender shall maintain in accordance with its usual practice an account or accounts evidencing indebtedness of the Borrower to the Lender resulting from each of the Loans of the Lender from time to time, including the amounts of principal and interest payable and paid to the Lender from time to time under this Agreement (the "Register"). The Lender shall provide a copy of the Register to the Borrower upon request.

(c) The entries made in the Register maintained pursuant to Section 2.5(b) shall, to the extent permitted by Applicable Law, be prima facie evidence of the existence and amounts of the obligations of the Borrower therein recorded, provided, however, that the failure of the Lender to maintain

the Register or any such account, or any error therein, shall not in any manner affect the obligation of the Borrower to repay (with applicable interest) the Loans made to the Borrower by the Lender in accordance with the terms of this Agreement. In the event of a conflict between the Register and such accounts, the Register shall be rebuttably presumed to be correct.

(d) The Borrower agrees that, upon the request of the Lender, it will execute and deliver to the Lender a promissory note evidencing the Loans to the Borrower, substantially in the form of Exhibit 2.5(b) with appropriate insertions as to date and principal amount (a “Note”).

2.6 Optional and Mandatory Prepayments. (a) The Borrower may, at any time and from time to time, prepay the Loans, in whole or in part, without premium or penalty, except as set forth in Section 2.6(c) and 2.6(d), upon at least three Business Days’ irrevocable notice (in the case of any Term Benchmark Loan) and one Business Days’ irrevocable notice (in the case of any ABR Loan or Fixed-Rate Loan), specifying the date and amount of prepayment, and whether the prepayment is of Term Benchmark Loans, ABR Loans, the Fixed-Rate Loan, or if a combination thereof, the amount allocable to each. If any such notice is given, the amount specified in such notice shall be due and payable by the Borrower on the date specified therein, together with accrued interest to such date on the amount prepaid. Partial prepayments shall be in an aggregate principal amount of \$1,000,000 or a whole multiple of \$500,000 in excess thereof and may only be made, if after giving effect thereto, Section 2.9 shall not have been contravened.

(b) If, at any time, either (A) the Asset Coverage Ratio of the Borrower shall be less than the Minimum Permitted Ratio, or (B) the aggregate amount of all Indebtedness of the Borrower (including, without limitation, the Loans made to the Borrower) then outstanding exceeds the limits provided in the Borrower’s Prospectus, then, in each case within thirty-five (35) calendar days thereafter, the Borrower shall repay the Loans and/or other Indebtedness to the extent necessary to ensure that (x) the Borrower’s Asset Coverage Ratio after such payments is in compliance with this Agreement or (y) the aggregate amount of all Indebtedness of the Borrower then outstanding does not after such payments exceed such limits provided in the Borrower’s Prospectus, as the case may be.

(c) In the event that any prepayment of any Term Benchmark Loan is required or permitted on a date other than the last day of the then current Interest Period with respect thereto, Borrower shall indemnify Lender therefor in accordance with Section 2.15 hereof.

(d) In the event that any prepayment of the Fixed-Rate Loan is required or permitted on a date other than the Maturity Date, the Borrower shall indemnify Lender therefor in accordance with Section 2.15 hereof.

2.7 Interest Rates and Payment Dates.

Subject to Section 2.14:

(a) Any Term Benchmark Loan shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to the Adjusted Term SOFR Rate plus the Applicable Margin.

(b) Any ABR Loan shall bear interest at a rate per annum equal to the Alternate Base Rate plus the Applicable Margin.

(c) Any Fixed-Rate Loan shall bear interest at a rate per annum equal to the Fixed-Rate.

(d) Upon (i) the occurrence and continuance of any Event of Default specified in Section 7(e) or (ii) notice given by the Lender to the Borrower of any other Event of Default (following the occurrence and during the continuance of such Event of Default), any principal of the Loans outstanding to the Borrower shall bear interest at a rate per annum which is the rate that would otherwise be applicable thereto pursuant to the provisions of Section 2.7(a), (b), or (c), as applicable, plus 2% per annum. If all or a portion of (i) the principal amount of any Loan or (ii) any interest payable thereon or other amount payable hereunder or under any other Loan Document shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum which is (x) in the case of overdue principal to the last day of any Interest Period then applicable thereto, the rate that would otherwise be applicable thereto pursuant to the foregoing provisions of this Section plus 2% or (y) otherwise, the rate described in paragraph (b) or (c) of this Section 2.7 plus 2%, in each case from the date of such non-payment until such amount is paid in full (as well after as before judgment).

(e) Interest on the Loans shall be payable in arrears on each Interest Payment Date, provided that interest accruing pursuant to the second sentence of paragraph (d) of this Section 2.7 shall be payable from time to time on demand.

2.8 Computation of Interest. (a) Interest shall be calculated on the basis of a 360-day year for the actual days elapsed; provided that interest on ABR Loans shall be calculated on the basis of a 365/366-day year for the actual days elapsed. Any change in the interest rate on a Loan resulting from a change in the Alternate Base Rate shall become effective as of the opening of business on the day on which such change becomes effective. The Lender shall as soon as practicable notify the Borrower of the effective date and the amount of each such change in interest rate.

(b) Each determination of an interest rate by the Lender pursuant to any provision of this Agreement shall be conclusive and binding on the Borrower in the absence of manifest error. The Lender shall, at the request of the Borrower, deliver to the Borrower a statement showing the quotations used by the Lender in determining any interest rate pursuant to Section 2.8(a).

2.9 Reserved.

2.10 Requirements of Law. (a) If the Lender shall have determined that the adoption of or any change in any Requirement of Law (in each case after the date hereof) of any Governmental Authority regarding capital adequacy or liquidity or in the interpretation or application thereof or compliance by the Lender or any corporation controlling the Lender with any request or directive regarding capital adequacy or liquidity (whether or not having the force of law) from any Governmental Authority made subsequent to the date hereof shall have the effect of reducing the rate of return on the Lender's or such corporation's capital or liquidity as a consequence of its obligations hereunder to a level below that which the Lender or such corporation could have achieved but for such adoption, change or compliance (taking into consideration the Lender's or such corporation's policies with respect to capital adequacy or liquidity) by an amount determined by the Lender to be material, then from time to time, the Borrower shall promptly, and in any event within ten Business Days of receipt of notice thereof from the Lender, pay to the Lender such additional amount or amounts as will compensate the Lender for such reduction. Notwithstanding anything herein to the contrary, (i) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith shall be deemed to be a "change in any Requirement of Law", regardless of the date enacted, adopted or issued, and (ii) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to be a "change in any Requirement of Law" regardless of the date enacted, adopted, issued or implemented.

(b) If the Lender becomes entitled to claim any additional amounts pursuant to this Section, it shall promptly notify the Borrower of the event by reason of which it has become so entitled by providing a certificate setting forth in reasonable detail the basis for the claim for additional amounts, the amounts required to be paid by the Borrower to the Lender, and the computations made by the Lender to determine the amounts; provided that the Lender shall not be required to disclose any confidential information. Such certificate as to any additional amounts payable pursuant to this Section submitted by the Lender to the Borrower shall be conclusive in the absence of manifest error. The agreements in this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(c) Failure or delay on the part of the Lender to demand compensation pursuant to this Section shall not constitute a waiver of the Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate the Lender pursuant to this Section for any increased costs or reductions incurred more than 270 days prior to the date that the Lender notifies the Borrower of the change in the Requirement of Law giving rise to such increased costs or reductions and of the Lender's intention to claim compensation therefor; provided further that, if the change in the Requirement of Law giving rise to such increased costs or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof, to a maximum additional period of one year.

(d) The Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 2.10(a) with respect to the Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of the Lender and in the Lender's sole discretion) to avoid or mitigate any additional amounts payable to the greatest extent practicable (including transferring the Loans affected by such event to another lending office), unless in the sole opinion of the Lender, such efforts would result in the Lender (or its lending office) suffering an economic, legal or regulatory disadvantage. Nothing in this clause (d) shall affect or postpone any of the obligations of the Borrower or the rights of the Lender provided in this Section 2.10.

(e) The agreements in this Section shall survive termination of this Agreement and repayment of the Loans and all amounts payable hereunder.

2.11 Taxes. (a) All payments made by the Borrower under this Agreement and any Notes shall be made free and clear of, and without deduction or withholding for or on account of, any present or future income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions or withholdings, now or hereafter imposed, levied, collected, withheld or assessed by any Governmental Authority, excluding all present and future income taxes and franchise taxes (imposed in lieu of net income taxes) imposed on the Lender as a result of a present or former connection between the Lender and the jurisdiction of the Governmental Authority imposing such tax or any political subdivision or taxing authority thereof or therein (other than any such connection arising solely from the Lender having executed, delivered or performed its obligations or received a payment under, or enforced, this Agreement or any Note), and any U.S. federal withholding taxes imposed under FATCA. If any such non-excluded taxes, levies, imposts, duties, charges, fees deductions or withholdings ("Non-Excluded Taxes") are required to be withheld from any amounts payable to the Lender hereunder or under any Note, the amounts so payable to the Lender shall be increased to the extent necessary to yield to the Lender (after payment of all Non-Excluded Taxes) interest or any such other amounts payable hereunder at the rates or in the amounts specified in this Agreement, provided, however, that the Borrower shall not be required to increase any such amounts payable to the Lender that is organized under the laws of a jurisdiction outside the United States of America if the Lender fails to comply with the requirements of paragraph (b) of this Section. Whenever any Non-Excluded Taxes are payable by the Borrower, as promptly as possible thereafter the Borrower shall send to the Lender, as the case may be, a certified copy of an original official receipt received by the Borrower

showing payment thereof. If the Borrower fails to pay any Non-Excluded Taxes when due to the appropriate taxing authority or fails to remit the required receipts or other required documentary evidence, the Borrower shall indemnify the Lender for any incremental taxes, interest or penalties that may become payable by the Lender as a result of any such failure.

(b) The Lender shall:

(i) deliver to the Borrower prior to any payments being made under this Agreement or the Notes an Internal Revenue Service Form or W-9, or successor form;

(ii) deliver to the Borrower two further properly completed copies of any such form or certification on or before the date that any such form or certification expires or becomes obsolete and after the occurrence of any event requiring a change in the most recent form previously delivered by it to Borrower; and

(iii) obtain such extensions of time for filing and complete such forms or certifications as may reasonably be requested by Borrower;

unless in any such case an event (including, without limitation, any change in treaty, law or regulation) has occurred prior to the date on which any such delivery would otherwise be required which renders all such forms inapplicable or which would prevent the Lender from lawfully completing and delivering any such form with respect to it and the Lender so advises the Borrower. The Lender shall certify that it is entitled to an exemption from United States backup withholding tax.

(c) If a payment made to the Lender under this Agreement or any Notes would be subject to U.S. federal withholding tax imposed by FATCA if the Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), the Lender shall deliver to the Borrower at the time or times prescribed by law and at such time or times reasonably requested by the Borrower such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower as may be necessary for the Borrower to comply with its obligations under FATCA, to determine whether the Lender has or has not complied with the Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 2.11(c), "FATCA" shall include any amendments made to FATCA after the Effective Date.

(d) The agreements in this Section shall survive termination of this Agreement and repayment of the Loans and all amounts payable hereunder.

2.12 Change of Lending Office. If the Lender requests compensation under Section 2.10, or if the Borrower is required to pay any additional amount to the Lender or any Governmental Authority for the account of the Lender pursuant to Section 2.11, then the Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder if, in the judgment of the Lender, such designation (i) would eliminate or reduce amounts payable pursuant to Section 2.10 or 2.11, as the case may be, in the future and (ii) would not subject the Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to the Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by the Lender in connection with any such designation.

2.13 Conversion and Continuation Options. (a) Each Term Benchmark Loan may be converted to an ABR Loan by giving the Lender notice of such election not later than the third Business Day prior to the last day of such Interest Period, unless there shall have occurred and be continuing a Default or Event

of Default, provided that such conversion of Term Benchmark Loans may only be made on the last day of an Interest Period with respect thereto. Each ABR Loan may be converted to a Term Benchmark Loan by giving the Lender notice of such election not later than the third Business Day prior to the date of such conversion, unless there shall have occurred and be continuing a Default or Event of Default.

(b) All Term Benchmark Loans shall be continued as such upon the expiration of the then current Interest Period with respect thereto in accordance with the applicable provisions of the term “Interest Period” set forth in Section 1.1, provided that no Term Benchmark Loan may be continued as such after the date that is one month prior to the Maturity Date.

2.14 Alternate Rate of Interest.

(a) Subject to clauses (b), (c), (d), (e) and (f) of this Section 2.14, if the Lender determines (which determination shall be conclusive absent manifest error) prior to the commencement of any Interest Period for a Term Benchmark Loan, that adequate and reasonable means do not exist for ascertaining the Adjusted Term SOFR Rate or the Term SOFR Rate (including because the Term SOFR Reference Rate is not available or published on a current basis), for such Interest Period, then the Lender shall give notice thereof to the Borrower by telephone, telecopy or electronic mail as promptly as practicable thereafter and, until the Lender notifies the Borrower that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark. Furthermore, if any Term Benchmark Loan is outstanding on the date of the Borrower’s receipt of the notice from the Lender referred to in this Section 2.14 with respect to a Relevant Rate applicable to such Term Benchmark Loan, then until the Lender notifies the Borrower that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark, any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), be converted by the Lender to, and shall constitute, an ABR Loan.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (i) if a Benchmark Replacement is determined in accordance with clause (a) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (ii) if a Benchmark Replacement is determined in accordance with clause (b) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lender without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document.

(c) In connection with the implementation of a Benchmark Replacement, the Lender will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(d) The Lender will promptly notify the Borrower of (i) any occurrence of a Benchmark Transition Event, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of

any tenor of a Benchmark pursuant to clause (f) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Lender pursuant to this Section 2.14, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.14.

(e) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Lender in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Lender may modify the definition of “Interest Period” for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Lender may modify the definition of “Interest Period” for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(f) Upon the Borrower’s receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a conversion to or continuation of Term Benchmark Loans to be made, converted or continued during any Benchmark Unavailability Period. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of ABR based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of ABR. Furthermore, if any Term Benchmark Loan is outstanding on the date of the Borrower’s receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Relevant Rate applicable to such Term Benchmark Loan, then until such time as a Benchmark Replacement is implemented pursuant to this Section 2.14, any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), be converted by the Lender to, and shall constitute, an ABR Loan.

2.15 Indemnity. This covenant shall survive the termination of this Agreement and the payment of the Notes and all other amounts payable hereunder for one year.

(b) When demanding payment pursuant to this Section, the Lender shall provide to the Borrower a certificate, signed by an officer of the Lender, setting forth in accordance with the standard practice of the Lender the amount required to be paid by Borrower to the Lender. Such certificate shall be conclusive in the absence of manifest error.

5.7 Notices. Promptly give notice to the Lender of:

- (a) the occurrence of any Default or Event of Default;
- (b) any (i) default or event of default under any Contractual Obligation of the Borrower or any of its Restricted Subsidiaries or (ii) litigation, investigation or proceeding which may exist at any time between the Borrower or any of its Subsidiaries and any Governmental Authority, which in either case, if not cured or if adversely determined, as the case may be, could reasonably be expected to have a Material Adverse Effect;

5.8 Purpose of Loans. Use the proceeds of the Loans for general corporate purposes of the Borrower as an investment company registered under the 1940 Act. Without limiting the foregoing, the Borrower will not, directly or indirectly, use any part of such proceeds for any purpose which would violate any provision of its registration statement or any applicable statute, regulation, order or restriction.

5.9 Payments Following Default or Event of Default. During the continuation of any Default or Event of Default, the Borrower shall make payments with respect to the Loans and other amounts outstanding under this Agreement not less than pro rata with payments of all principal amounts of any unsecured borrowings of the Borrower, calculated in accordance with principal amounts outstanding.

SECTION 6. NEGATIVE COVENANTS

The Borrower hereby agrees that, so long as any amount is owing by it to the Lender hereunder or under any other Loan Document, it shall not, without the prior written consent of the Lender, directly or indirectly:

6.1 Financial Condition Covenant. Permit the Asset Coverage Ratio to be less than the Minimum Permitted Ratio; or in each case allow Indebtedness of the Borrower to exceed the limits set forth in the Borrower's Prospectus or registration statement or allow Indebtedness to exceed the requirements of the 1940 Act.

6.2 Limitation on Indebtedness. Create, incur, assume or suffer to exist any Indebtedness of the Borrower or any of its Restricted Subsidiaries, except Indebtedness of the Borrower or such Restricted Subsidiary incurred: (a) under the Loan Documents, (b) in the form of reverse repurchase transactions, Swap Obligations, Interest Rate Agreements, derivatives, or other transactions that constitute "Indebtedness" entered into primarily for investment purposes which have the effect of borrowing, provided that the notional value of all such reverse repurchase transactions, Swap Obligations, Interest Rate Agreements, derivatives, or other transactions that constitute "Indebtedness" entered into primarily for investment purposes which have the effect of borrowing shall not exceed \$50 million at any time; and provided further that reverse repurchase transactions, Swap Obligations, Interest Rate Agreements, derivatives, or other transactions that do not constitute "Indebtedness" shall be marked to market on a daily basis with any assets or liabilities, as applicable, resulting therefor added or deducted, as applicable, from Adjusted Total Assets and thereby reflected in the Asset Coverage ratio, (c) pursuant to the Note Purchase Agreement, (d) any additional unsecured Indebtedness that the Borrower may issue from time to time provided that the Asset Coverage Ratio is greater than 350% at the time of issue taking into account such issuance, and no Default or Event of Default is then existing or would be caused thereby and Borrower has certified the same to the Lender, and provided further that the net proceeds (after payment of premium, fees and expenses) of such issuances not used to refinance then existing unsecured indebtedness shall be used to repay the Loans and other amounts due under this Agreement until paid in full, provided such 350% condition precedent and use of proceeds requirement may be waived with the Lender's consent, or (e) secured Indebtedness the aggregate principal amount of which is not outstanding for more than 60 days and which does not exceed five percent (5%) of the Borrower's Total Assets at the time of incurrence of such Indebtedness ("Permitted Secured Indebtedness"); and, in each case, which is not otherwise prohibited by law, is in the ordinary course of business, and is not in contravention of the Borrower's Prospectus and in the case of Section 6.2(a), (c), (d) and (e) is reflected properly as Senior Securities representing Indebtedness of the Borrower in the calculation of the Asset Coverage Ratio. Notwithstanding anything to

the contrary contained in this Agreement, no Indebtedness of Unrestricted Subsidiaries shall be recourse to the Borrower or Restricted Subsidiaries.

6.3 Limitation on Liens. Create, incur, assume or suffer to exist any Lien upon any of the property, assets or revenues of the Borrower or any of its Restricted Subsidiaries, whether now owned or hereafter acquired, except for (a) Liens securing Permitted Secured Indebtedness, which Liens are upon specific identified assets of the Borrower which are placed in a segregated account and are generally representative of the assets of the Borrower taken as a whole in credit quality, and, (b) Liens for taxes not yet due or which are being contested in good faith by appropriate proceedings, provided that adequate reserves with respect thereto are maintained on the books of the Borrower or such Restricted Subsidiary in conformity with GAAP, (c) Liens arising in connection with claims for customary fees and expenses, and for advances made by or payments due to the custodian, under the Borrower's Custody Agreement, (d) Liens created, incurred, assumed or suffered to exist in compliance with the Prospectus and registration statement of the Borrower in the ordinary course of the Borrower's business, (e) liens upon collateral valued at up to \$50 million at any time granted in connection with reverse repurchase transactions, Swap Obligations, Interest Rate Agreements, derivatives, or other transactions that constitute "Indebtedness" entered into primarily for investment purposes which have the effect of borrowing, or (f) Liens created under any of the Loan Documents.

6.4 Limitation on Guarantee Obligations. Create, incur, assume or suffer to exist (a) any material Guarantee Obligation of the Borrower or any of its Restricted Subsidiaries, except as may occur in the ordinary course of the Borrower's or such Restricted Subsidiary's business and which is not otherwise prohibited by any Requirements of Law, or (b) any Guarantee Obligation of the Borrower or any of its Restricted Subsidiaries in respect of Indebtedness of Unrestricted Subsidiaries.

6.5 Limitation on Fundamental Changes. Enter into any merger, consolidation or amalgamation, unless no Default or Event of Default shall have occurred and be continuing or be caused by such merger, consolidation or amalgamation, the Borrower is the surviving entity of such merger, consolidation or amalgamation and the Investment Manager remains the investment manager of the Borrower; liquidate, wind up or dissolve (or suffer any liquidation or dissolution); convey, sell, lease, assign, transfer or otherwise dispose of all of the property, business or assets of the Borrower in a single transaction or in related transactions; or make any material change in its present method of conducting business.

6.6 Limitation on Distributions. Make or set apart for payment any distribution or dividend (other than a dividend or distribution paid in shares of, or options, warrants, or rights to subscribe for, or purchase, common shares or other shares of capital stock of the Borrower) to the shareholders of the Borrower, whether now or hereafter existing, either directly or indirectly, whether in cash or property or in obligations of the Borrower if after giving effect to such distribution or dividend a Default or Event of Default would then exist; provided however, that dividends may be paid to preferred shareholders of the Borrower if (x) the Loans and any other Senior Securities Representing Indebtedness have an asset coverage (as determined in accordance with Section 18h of the 1940 Act as in effect as of the Closing Date) of at least 200% at the time the dividend is set apart for payment after deducting the amount of such dividend and (y) the amount of dividends set apart for payment during the cure period does not exceed \$250,000 (asset coverage ratios for this Section 6.6 may be calculated on the basis of values calculated as of a time within 48 hours next preceding the time of such determination). Notwithstanding the foregoing sentence, during the occurrence and continuation of an Event of Default specified in paragraphs (a) or (e) of Section 7, including without limitation arising due to any failure to make a mandatory prepayment due pursuant to the provisions of Section 2.6(b), the Borrower shall not make any distribution or dividend to the shareholders of the Borrower, whether now or hereafter existing, either directly or indirectly, whether in

cash or property or in obligations of the Borrower. Notwithstanding the foregoing, nothing herein shall prevent the Borrower from making distributions that are required by any other Requirement of Law.

6.7 Limitation on Investments, Loans and Advances; Subsidiaries.

(a) Make, or permit any of its Restricted Subsidiaries to make, any advance, loan, extension of credit or capital contribution to, or purchase any stock, bonds, notes, debentures or other securities of or any assets constituting a business unit of or make any other investment (each such advance, loan, extension, contribution, purchase or investment, an “Investment”) in, any Person, except those not inconsistent with the Borrower’s Investment Policies.

(b) Notwithstanding any other provision hereof to the contrary, make, or permit any of its Restricted Subsidiaries to make, any Investment in any Person (including, without limitation, a single master limited partnership) if the aggregate amount of all Investments in such Person exceeds, at the time of such Investment, fifteen percent (15%) of the Borrower’s Total Assets.

6.8 Limitation on Transactions with Affiliates. Enter into, or permit any of its Restricted Subsidiaries to enter into, any transaction, including, without limitation, any purchase, sale, lease or exchange of property or the rendering of any service, with any Affiliate unless such transaction is (a) not otherwise prohibited under this Agreement and not in violation of the 1940 Act, and (b) in the ordinary course of the Borrower’s or such Restricted Subsidiary’s business.

6.9 Limitation on Negative Pledge Clauses. Enter into, or permit any of its Restricted Subsidiaries to enter into, with any Person any agreement which prohibits or limits the ability of the Borrower or such Restricted Subsidiary to create, incur, assume or suffer to exist any Lien upon any of its property, assets or revenues, whether now owned or hereafter acquired, other than (a) the Loan Documents, (b) the Note Purchase Agreements, (c) the provisions of certain series of mandatory redeemable preferred shares issued by the Borrower, (d) the Institutional Account Agreement for Introduced Accounts, dated as of September 27, 2004 between the Borrower and Bear, Sterns Securities Corp. SECTION 7. EVENTS OF DEFAULT

If any of the following events shall occur and be continuing (each an “Event of Default”):

(a) The Borrower shall fail to pay any principal of any Loan when due in accordance with the terms thereof or hereof, including, without limitation, any failure to make a mandatory prepayment due pursuant to the provisions of Section 2.6(b); or the Borrower shall fail to pay any interest on any Loan, or any other amount payable hereunder, within five (5) days after any such interest or other amount becomes due in accordance with the terms thereof or hereof; or

(b) Any representation or warranty made or deemed made by the Borrower herein or in any other Loan Document or which is contained in any certificate, document or financial or other statement furnished by it at any time under or in connection with this Agreement or any such other Loan Document shall prove to have been incorrect in any material respect on or as of the date made or deemed made; or

(c) The Borrower shall default in the observance or performance of any other agreement contained in this Agreement or any other Loan Document (other than as provided in paragraphs (a) and (b) of this Section), and such default shall continue unremedied for a period of thirty (30) days or, solely in the case of such default arising under Sections 5.4, 5.7, 5.8, 6.5 or 6.7 hereof, five (5) Business Days, or solely in the case of such default arising under Section 6.1 hereof, thirty-five (35) Business Days, provided for such defaults arising under Sections 6.11, 6.12 and 6.13 hereof, there shall be no period of remedy; or

(e) (i) The Borrower shall commence any case, proceeding or other action with respect to itself (A) under any then Applicable Law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking to have an order for relief entered with respect to it, or seeking to adjudicate it a bankrupt or insolvent, or seeking reorganization, arrangement, adjustment, winding-up, liquidation, dissolution, composition or other relief with respect to it or its debts, or (B) seeking

(f) Either the Borrower or any Commonly Controlled Entity of the Borrower incurs any liability to any Plan which would reasonably be expected to have a Material Adverse Effect on the Borrower; or

(h) Either the Investment Manager or an Affiliate thereof shall no longer act as investment manager for the Borrower; or

(i) The Borrower shall cease to be registered under the 1940 Act (or proceedings for such purpose shall have been instituted); or

then, and in any such event, (A) if such event is an Event of Default specified in paragraph (e) of this Section with respect to the Borrower, automatically the Loans hereunder made to the Borrower (with accrued interest thereon) and all other amounts owing under this Agreement by the Borrower shall immediately become due and payable, and (B) if such event is any other Event of Default with respect to the Borrower, the Lender may, by notice to the Borrower, declare the Loans hereunder (with accrued interest thereon) and all other amounts owing under this Agreement by the Borrower to be due and payable forthwith, whereupon the same shall immediately become due and payable. Except as expressly provided above in this Section, presentment, demand, protest and all other notices of any kind are hereby expressly waived.

9.3 No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of any party hereto, any right, remedy, power or privilege hereunder or under the other Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

9.4 Survival of Representations and Warranties. All representations and warranties made hereunder, in the other Loan Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans hereunder.

9.5 Payment of Expenses and Taxes; Indemnification, Etc. (a) The Borrower agrees (i) to reimburse the Lender for its reasonable out-of-pocket costs and expenses incurred in connection with the

development, preparation and execution of, and any amendment, supplement or modification to, this Agreement and the other Loan Documents and any other documents prepared in connection herewith or therewith, and the consummation and administration of the transactions contemplated hereby and thereby, including, without limitation, the reasonable fees and disbursements of counsel to the Lender, and (ii) to reimburse the Lender for all its costs and expenses incurred in connection with the enforcement or preservation of any rights under this Agreement with respect to the Borrower, the other Loan Documents and any such other documents, including, without limitation, the reasonable fees and disbursements of counsel to the Lender.

(b) Limitation of Liability. To the extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against the Lender, and any Related Party (each such Person a “Lender-Related Person”) for any Liabilities against any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby, the transactions contemplated hereby, any Loan or the use of the proceeds thereof; provided that, nothing in this Section 9.5(b) shall relieve the Borrower of any obligation it may have to indemnify an Indemnitee, as provided in Section 9.5(c), against any special, indirect, consequential or punitive damages asserted against such Indemnitee by a third party.

(c) Indemnity. The Borrower agrees to indemnify and hold the Lender harmless, from, any and all recording and filing fees and any and all liabilities with respect to, or resulting from any delay in paying, stamp, excise and other taxes, if any, which may be payable or determined to be payable in connection with the execution and delivery of, or consummation or administration of any of the transactions contemplated by, or any amendment, supplement or modification of, or any waiver or consent under or in respect of, this Agreement, the other Loan Documents and any such other documents with respect to the Borrower, and to indemnify and hold the Lender (and its respective affiliates, directors, officers, agents and employees (collectively with the Lender, the “Indemnified Parties”)) harmless from and against any and all other liabilities, obligations, losses, claims, damages, penalties, actions, judgments, suits, reasonable costs, reasonable out-of-pocket expenses or disbursements of any kind or nature whatsoever (including but not limited to reasonable attorney’s fees and settlement costs) arising directly or indirectly from or in connection with the execution, delivery, enforcement, performance and administration of this Agreement, the other Loan Documents and any such other documents, from the Borrower’s use of proceeds, from failure of the Borrower to comply with rules, regulations and laws regarding the business of mutual funds, from false or incorrect representations or warranties or other information provided in connection with this Agreement, or from failure of the Borrower to comply with covenants in a timely manner (all the foregoing in this Section 9.5(c), collectively, the “indemnified liabilities”), provided, that the Borrower shall have no obligation hereunder to any Indemnified Party with respect to indemnified liabilities arising from (A) with respect to any Indemnified Party, the gross negligence or willful misconduct of such Indemnified Party as finally determined in a nonappealable judgment by a court of competent jurisdiction, or (B) with respect to any such Indemnified Party, the failure of such Indemnified Party (and its Affiliates) to comply with any Requirement of Law.

(d) Payments. All amounts due under this Section 9.5 shall be payable not later than 10 days after written demand therefor (which demand shall include a statement describing in reasonable detail the basis for making such demand).

(e) The agreements in this Section 9.5 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

9.6 Successors and Assigns; Participations and Assignments. (a) This Agreement shall be binding upon and inure to the benefit of the Borrower, the Lender and their respective successors and

assigns, except that neither the Borrower nor the Lender may assign or transfer any of its rights or obligations under this Agreement without the prior written consent of the other party; provided that, if an Event of Default under Section 7(a) or 7(e) has occurred and is occurring, the Lender may assign or transfer its rights or obligations without the prior written consent of the Borrower.

(b) The Lender may, in the ordinary course of its commercial banking business and in accordance with Applicable Laws, at any time sell to one or more Persons (other than natural Persons (or a holding company, investment vehicle or trust for, or owned and operated by or for the primary benefit of, a natural Person), Borrower or Borrower's Affiliates and Subsidiaries) as permitted by law ("Participants") participating interests in any Loan owing to the Lender, any interest of the Lender hereunder and under the other Loan Documents. In the event of any such sale by the Lender of a participating interest to a Participant, the Lender's obligations under this Agreement to the other parties to this Agreement shall remain unchanged, the Lender shall remain solely responsible for the performance thereof, the Lender shall remain the holder of any such Loan for all purposes under this Agreement and the other Loan Documents, and the Borrower shall continue to deal solely and directly with the Lender in connection with the Lender's rights and obligations under this Agreement and the other Loan Documents. Any agreement pursuant to which the Lender may grant such a participating interest shall provide that the Lender shall retain the sole right and responsibility to enforce the obligations of the Borrower hereunder including the right to approve any amendment, modification or waiver of any provision of this Agreement; provided that such participation agreement may provide that (i) the Lender will not agree to any modification, amendment or waiver of this Agreement described in clause (i) of the proviso in Section 9.1 without the consent of the Participant and (ii) the Participant may obtain voting rights limited to changes in respect of the principal amount, interest rates, fees and term of the Loans. The Borrower agrees that if amounts outstanding under this Agreement are due or unpaid, or shall have been declared or shall have become due and payable upon the occurrence of an Event of Default, each Participant shall, to the maximum extent permitted by Applicable Laws, be deemed to have the right of setoff in respect of its participating interest in amounts owing under this Agreement to the same extent as if the amount of its participating interest were owing directly to it as the Lender under this Agreement. The Borrower also agrees that each Participant shall be entitled to the benefits of Sections 2.10 and 2.11 with respect to its participation in the Loan outstanding from time to time as if it was the Lender; provided that, in the case of Section 2.11, such Participant shall have complied with the requirements of said Section and provided, further, that no Participant shall be entitled to receive any greater amount pursuant to any such Section than the Lender would have been entitled to receive in respect of the amount of the participation transferred by the Lender to such Participant had no such transfer occurred. If the Lender sells a participation, it shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the obligations under the Agreement (the "Participant Register"); provided that the Lender shall not have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in the Loan or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and each Person whose name is recorded in the Participant Register shall be treated as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(c) In accordance with Section 9.6(a), if an Event of Default under Section 7(a) or 7(e) has occurred and is occurring, the Lender may assign to an Eligible Lender (an "Assignee") all or any part of its rights and obligations under this Agreement and the other Loan Documents pursuant to an Assignment and Acceptance, substantially in the form of Exhibit 9.6(c), executed by such Assignee and the Lender; provided, however, that any such assignment must be in amount of at least \$1,000,000 (or, in the case of an Assignment and Acceptance covering all or the remaining portion of the Lender's rights and obligations

under this Agreement, all of such lesser amount). Upon such execution, from and after the effective date determined pursuant to such Assignment and Acceptance, (x) the Assignee thereunder shall be a party hereto and, to the extent provided in such Assignment and Acceptance, have the rights and obligations of the Lender hereunder, and (y) the Lender thereunder shall, to the extent provided in such Assignment and Acceptance, be released from its obligations under this Agreement.

(d) The Borrower authorizes the Lender to disclose to any Participant, Assignee or permitted successor or assignee (each, a “Transferee”) and any prospective Transferee any and all financial information in the Lender’s possession concerning the Borrower and its Affiliates which has been delivered to the Lender by or on behalf of the Borrower pursuant to this Agreement or which has been delivered to the Lender by or on behalf of the Borrower in connection with the Lender’s credit evaluation of the Borrower and its Affiliates prior to becoming a party to this Agreement.

(e) For avoidance of doubt, the parties to this Agreement acknowledge that the provisions of this Section concerning assignments of Loans and Notes relate only to absolute assignments and that such provisions do not prohibit assignments creating security interests, including, without limitation, any pledge or assignment by the Lender of any Loan or Note to any Federal Reserve Bank in accordance with Applicable Law.

9.7 Set-off. In addition to any rights and remedies of the Lender provided by law, the Lender shall have the right, without prior notice to the Borrower, any such notice being expressly waived by the Borrower to the extent permitted by Applicable Law, upon any amount becoming due and payable by the Borrower hereunder (whether at the stated maturity, by acceleration or otherwise) to set-off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by the Lender or any branch or agency thereof to or for the credit or the account of the Borrower.

9.8 Counterparts. (a) This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or pdf transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall be lodged with Investment Manager and the Lender.
